

## Psss't, May I tell You What I Have Observed?

Mr. Randy King (with over 30 years of experience) will discuss what common traits he has observed as both a commercial pilot and as a CFI regarding decisions and actions pilots take... and the consequences of those decisions and actions.

**Directions:** Flying: Park just north west of Hillside FBO in transient... walk east to lobby, then into the hangar Driving: Park either North or South of Hillside FBO, then walk through pedestrian gates to lobby and then into the hangar.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
